Town of Sanford Board Members:

For the month of April, I was extremely busy finishing up all my assessment work.
(mostly all the new splits and combinations)

I inputted all the new assessments in the system (RPS V4) and was done by April 26th so that Broome County could print the Tentative Roll. I sent out 143 changes of assessment notices on April 28th to the taxpayers. So, they normally get them the first week in May.

In the month of May, I sit with the tentative roll in my office and people can either come into to see me or call about their changes of assessment. Grievance Day is May 24th from 4-8pm in the Town Hall.

Thank you,

Becky A. Herzog-Ottens
