Town of Sanford Board Members:

For the month of May: I was busy with people coming in to see me about their assessments and grievance day. Grievance day was May 24th and it went very well. We had two mail-in complaints. It wasn't a bad night. The board of assessment review changed nothing.

Normally, over the summer months is my "down time". I tend to get my office organize and do my yearly training in July. I will also be going on vacation for 2 ½ weeks in August.

Thank you,
